2. The truck [] came to Buch from the direction of Teupitz. The unit was dissatisfied with its previous laundry in Prenzlau, and wanted to have its washing done in Buch. Since the unit will probably not be permitted to change the laundry once assigned to it, the delivery may be an exception. (2) []

Comments.

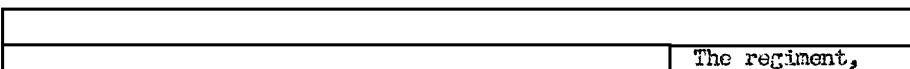

(1)

It is believed that a large percentage of the data on branches of service and military posts is incorrect.

(2)

The regiment, [redacted] is stationed in Prenzlau where it has also had its laundry done to date. Teupitz was possibly confused with Templin.
